

Call for Papers for the Postgraduate Forum 2021

We are looking for **papers on current work in progress** to be presented at the **postgraduate forum** of the upcoming annual conference of the German Association for the Study of British Cultures in Leipzig (18-20 November 2021).

The aim of the forum is **the presentation and, above all, the discussion of dissertation projects**, their methodological/theoretical foundations and their main hypotheses by way of one or two examples. All topics are welcome as long as they are situated within the field of **British Cultural Studies**. Guidelines for brief presentations or outlines will be sent to the prospective participants.

Due to the unpredictable nature of the current pandemic, we do not yet know whether the event can be held **in person**, or whether we will once again employ the **online** version we successfully tested last year.

If we'll be meeting **in person**, 15-minute presentations will be followed by a 15-minute feedback session.

If, we'll have to go **online**, outlines of dissertation projects of 5-10 pages will be uploaded to an online forum; members of the association will be granted access to said forum in order to comment on projects.

Please submit proposals of no more than 250 words, as well as a short bio-note, to the advisory board of the association, c/o huck@anglistik.uni-kiel.de

Deadline: 15 July 2021

Kind regards
